Introduction.....	1
Lincoln is asserting its patent rights	1
Guaranteed Minimum Withdrawal Benefit (GMWB).....	1
What This Analysis Does	2
Analysis Summary	5
General Impression of Lincoln IP Family Quality	5
Principal Aspects of the Lincoln Inventions Claimed to be New	6
Prior Art Not Considered by the USPTO.....	7
Possible Alternatives / Work Arounds to Claimed Inventions	8
Organization of This Analysis.....	9
Overview of Lincoln IP.....	11
Provisional Application # 60/101,883: filed 9/25/1998 – Expired	11
Provisional Application # 60/115,570: filed 1/12/1999 – Expired	11
Patent # 7,089,201 issued 8/8/2006 – application # 09/406,290: filed 9/24/1999.....	12
Summary of Examination Activity	12
Summary of Claimed Invention.....	12
Provisional Application # 60/174,206: filed 1/3/2000 – Expired	16
Patent # 6,611,815 issued 8/26/2003 – application # 09/753,408: filed 1/2/2001.....	17
Summary of Examination Activity	17
Summary of Claimed Invention.....	17
Application # 09/804,667: filed 3/12/2001 – Claims allowed, Awaiting issue	19
Summary of Examination Activity	19
Summary of Claimed Invention.....	20
Provisional Application # 60/700,503: filed 7/19/2005 – Expired	21
Summary of Examination Activity	21
Summary of Claimed Invention.....	21
Publication # 2007/0033124 - Application # 11/488,317: filed 7/18/2006.....	21
Summary of Examination Activity	21
Summary of Claimed Invention.....	21
Publication # 2007/0011086 – Application # 11/520,411: filed 9/13/2006.....	22
Summary of Examination Activity	22
Summary of Claimed Invention.....	23
Characteristics of a Strong & Effective Patent Application	25
Patentable Subject Matter	25
Non-obvious	25
Useful.....	25
Enablement	25

Indefiniteness..... 25

Inequitable Conduct 26

Analysis of Independent Claims.....27

Patent # 7,089,201 issued 8/8/2006 – Application # 09/406,290: filed 9/24/1999 27

 Claim Recital and Outline of Essential Features..... 27

 Markman Hearing 28

 Markman Hearing Definitions..... 33

 Essence of the Claimed Invention 38

 Analysis: Enablement / Indefiniteness 40

 Analysis: Obviousness 40

 Prior Art Alternatives Equivalent/Similar to the Claimed Invention..... 41

Patent # 6,611,815 issued 8/26/2003 – Application # 09/753,408: filed 1/2/2001 42

 Claim Recital and Outline of Essential Features..... 42

 Markman Hearing 42

 Markman Hearing Definitions..... 43

 Essence of the Claimed Invention 44

 Analysis: Enablement / Indefiniteness 45

 Analysis: Obviousness 46

 Prior Art Alternatives Equivalent/Similar to the Claimed Invention..... 46

09/804,667: filed 3/12/2001 – Claims Allowed, awaiting issue..... 47

 Claim Recital and Outline of Essential Features..... 47

 Definition of Terms & Expressions Used in Claim 48

 Essence of the Claimed Invention 52

 Analysis: Enablement / Indefiniteness 53

 Analysis: Obviousness 54

 Prior Art Alternatives Equivalent/Similar to the Claimed Invention..... 55

Annotated IP Appendix.....57

AIP1: Patent # 6,611,815..... 57

AIP2: Patent # 7,089,201 57

AIP3: Application 09/804,667 57

AIP4: Publication # 2007/0011086..... 57

AIP5: Publication # 2007/0033124..... 57
